## Lecturer

## ABOUT ME

Hi, my name is Jenny Li. I am lecturer with 7 years of coaching experience in English language: one-on-one essay writing, online teaching, *English In Use* workshops, and a series of English self-learning courses. I am primarily experienced in coaching presentation skills and English conversation, and designing courses through integrating games that could effectively increase learning motivation. Meanwhile, I also have considerable experience in teaching English writing techniques including basic/advance grammar and essay structure.
